And I never thought I'd feel this way And as far as I'm concerned I'm glad I got the chance to say
That I do believe I love you
And if I should ever go away Well then close your eyes and try to feel the way we do today
And than if you can't remember....

Verse 2

(solo) Well you came and open me And now there's so much more I see And so by the way I thank you....
and then For the times when we're apart well just close your eyes and know
These words are comming from my heart And then if you can't remember....Ohhhhhh
